***At Clifton Creek Primary School,
we have a zero tolerance to child abuse.***

Rationale:

All Victorian schools are required to have a child safety policy or statement of commitment to child safety that details:

- the principles that will guide the school in developing policies and procedures to create and maintain a child safe school environment; and
- the actions the school proposes to take to:
- demonstrate its commitment to child safety and monitor the school's adherence to its child safety policy;
- support, encourage and enable school staff, parents, and children to understand, identify, discuss and report child safety matters; and
- support or assist children who disclose child abuse, or are otherwise linked to suspected child abuse.
- Ensure that child safety is considered in the recruitment, selection and management of staff (includes contractors and volunteers)

Ministerial Order No. 870 (available at www.vrqa.vic.gov.au/childsafes) states that Child abuse includes –

- Any act committed against a child involving –
 - A sexual offence or
 - An offence under section 49 B (2) of the *Crimes Act 1958* (grooming)
- The infliction, on a child, of –
 - Physical violence or
 - Serious emotional or psychological harm
- Serious neglect of a child.

This policy was last ratified by School Council on 15/08/2016
and is to be reviewed on an annual basis.
