Mini Fete

We certainly were blessed with fine sunny weather on Saturday! Thankyou everyone for supporting our mini fete. It makes us so proud to see the children and their families all working together to raise funds for our fantastic school. We haven't organised final figures yet but I am sure we will have enough to buy some ipads for the senior room and building blocks for the junior room. A reminder that we will draw the raffle next Monday as we will hope to sell lots more raffle tickets at the sausage sizzle this Sunday at Bunnings. If you can sell some more tickets, give us a yell. There are some great prizes as part of the raffle such as generous vouchers from many local businesses.

Thanks again to all for your amazing efforts!

SUNSMART: A reminder that we are a sunsmart school ...
TERM 4—Shady hats are required for all outdoor activities.

Active After School Communities

AASC begins tonight. Robyn and I will run the Hot Shots Community Play tennis program here at school for the next seven Mondays. Nyrie will continue to run her program of fun skills based activities on a Wednesday.

SUNSMART

A reminder that all children need to have a hat for outdoor play this term. Children who do not have a hat will need to remain under the covered way. Hats need to be wide brimmed.

Legionnaire and bucket hats are also acceptable.

A reminder that children need to wear shoes with a closed toe. Thongs and sandals are not appropriate for school as they do not protect the children's feet when participating in active play. Thanks for your understanding and support. A reminder also that singlet tops, dresses with thin straps etc do not provide adequate sun protection for school.

Friday Fang

Please ensure all orders and payments are in by Thursday morning. Summer Menu is attached.

BendyEd

Kirdy will be here tomorrow to resume our BendyEd sessions.

Tuckshop

Please remember to bring along a small amount of change for our over-the-counter morning tea sales organised by the Grade 5 students.

BOOKCLUB

Thanks to Leanne for organising the brochures which are in the schoolbags.

Kitchen Garden class

Last week the children presented tasty samples of seasonal food using many vegetable and herbs picked fresh from the thriving gardens. Ask your children about the flavour & texture of the fennel and the calendula petals.

This week there will be **NO KITCHEN CLASS** as John is attending his son Paul's graduation ceremony.

SCHOOL COUNCIL ~FUTURE SEARCH

Please note that our scheduled school council meeting is to be held here at school as a School Community Forum. We have engaged the services of facilitators Liz Brown and Dave Munday to involve all members of the school community in sharing ideas and aspirations for education provision at CCPS.

We are hosting a community meeting here at school on Wednesday 23rd October from 5.30 to 7.30pm and we would love ALL school families to attend.

A pizza dinner will be provided for all who attend and there will be free child supervision as well.

It is hoped that everyone will support this event.

BUNNINGS SAUSAGE SUZZLE is coming up Sunday 20th October. For those who volunteered to help out, please phone our co-ordinator Faith on 0439 574 176 as soon as possible.

Community Recycling Trailer

Last week we were excited to pick up our brand new recycling trailer—for the whole community to use. It is funded by a Keep Australia Beautiful Grant for the purposes of preventing beverage containers from going into landfill. It is anticipated that residents & families can drop off their plastic bottle or cans to the specially labelled bins here at school.

When they are full we can easily drive the trailer into town to the recycle depot. The trailer can be used at the Hall and by the Tennis Club also.

Thank you to the team at A1 Trailers & Welding who provided a great service in our custom made trailer and also to Steve at Signlines for the fine printing job and extra efforts in sourcing the perfect sticker material.

UNIFORMS

New stock has arrived and we now have poloshirts in all sizes.

As usual we encourage you to send back any unrequired items that may still be useful for families who wish to swap/ buy pre-loved.

MARC VAN

A reminder that Mrs Severs will be here on Wednesday. Please be prepared with protective carry bags for transporting the MARC Van library books.

EG Shire Library—Joanne will have the Shire library van here at school on Tuesday noon. All are welcome to use this service.

Celebrating Children's Week in East Gippsland

Children's Week is an annual event celebrated in October and this year will be celebrated from the 19th – 27th. Children's Week is an opportunity for the community to get involved in a variety of activities that facilitate, support and encourage children and their families to play, learn and grow together.

Each year Children's Week has a different theme and in 2013 the theme is 'Leisure, play and culture'. This recognises that children have the right to relax and play, and to join in a wide range of cultural, artistic and other recreational activities.

There are a number of activities that businesses, organisations and community groups are holding across East Gippsland to celebrate Children's Week. There is a 'Calendar of Activities' which can be accessed online at - <http://www.ucgipps.org.au/>
