Tuesday 17	JTC Regional rehearsal
Sunday 22	CCPS @Howitt Park
Tuesday 24	Parent Teacher Interviews
Monday 23	Final AASC session
Friday 27	Last Day Term 2

Friday Fang

Another delicious Friday Fang was prepared and devoured last Friday afternoon. Well done Kasey and Macy. Due to the cost of cheese we need to increase the price of our Nachos to 3.00. We are losing quite a bit of money on this dish. Even though there is a price increase, we are still getting fantastic value for money!

Please note there will be no Friday Fang this week as we will be out and about on our magic school bus.

FRIDAY WISH

A reminder to those children who haven't returned their Magic School bus permission forms to school please do so asap. We will be unable to take you with us if you do not have a permission form. Thankyou once again to Uniting care for the generous use of their community bus.

Report Writing

On Thursday students will not be required at school. Staff will be busy working on their mid-year reports. These reports will go home to parents on Friday June 20th. Parent teacher interviews are being held on Tuesday June 24th from 3.30-7.00pm. Please fill attached form for preferred times. We will endeavour to provide all first choices where possible.

Koorie Art

We were excited to welcome Adam to school on Friday as he began the first phase of our koorie art project. Adam will be working with the students over the coming weeks to complete some Koorie Art on the poles at the entrance to the school.

Adam busy sanding poles ready for the artwork.

Students creating designs that represent family. These will be incorporated into our Koorie artwork.

TUCKSHOP

Tuckshop will operate again this week on Tuesday morning.

Strategic Meeting

Our Strategic Planning dinner meeting scheduled for this Wednesday evening has been cancelled. For interested parents, a draft Strategic Plan will be distributed for your comment in the near future.

FIREWOOD RAFFLE

Thankyou everyone for your support with our school wood raffle. There are still more books for you if you can sell extra.

FAMILY FAVOURITE RECIPES

We are looking for some favourite family recipes that the children enjoy. Each child will be able to provide and decorate a special recipe for the Clifton Creek cookbook which will be printed up for some fundraising.

Little Class

Reconciliation Week

On Wednesday Ivan, Hayley, Blake, Zoe and I headed into Bairnsdale West Primary school to be part of their reconciliation day ceremonies. The children presented Doug with the feet they'd made with messages supporting the theme 'Walk the Talk'. As a school we discussed the theme 'Walk the Talk' and what it means to us individually.

Cooper-

Everybody might be different but treat them well. They are the same as you. They might look different but their feelings are like yours.

Grace-

Everybody's the same but they might have different cultures or skin. Everybody's good at something.

Naomi-

Walk the talk means that when you say you are going to do something, you do it.

Amity-

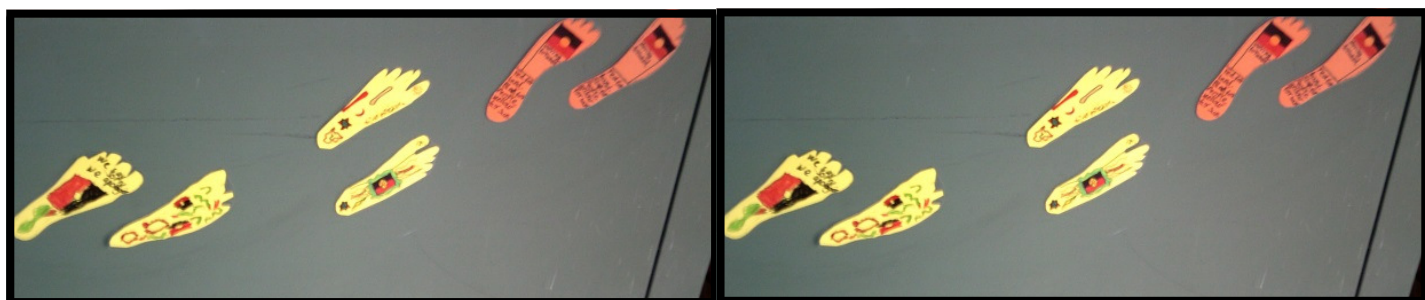

Being kind to our mixed culture. The drawing on my feet was about the stolen generation.

Another week flies by, with the children working hard at tasks. How they settle to set work is very pleasing to see, and they are becoming much better at considering others and their learning which means not interrupting anyone else! Rhys brought in a great book to share about *My Worst Day Ever*, which was a result of a child hearing instructions but not really listening! A very good read. The children made their own book which unfortunately had Mitchell being sucked down a toilet on his worst day ever!! We are all very excited about the Mystery Magic Bus Trip this Friday!! Please keep reading with your child at home. Thank you!

Kat

ACTIVE AFTER SCHOOL COMMUNITIES

Our seven week program of fun outdoor games and skills with healthy snacks is now in its fifth week. Thank you to Nyrie and Gemma for running a great program of skills development and teamwork in a non-competitive environment.

Senior Class

Our literacy is in full swing with soundwaves, spelling and various other activities. This week saw us working on synonyms, consolidating our editing and continuing on with our sizzling starts.

Maths saw the usual focus on times tables. We introduced division facts to a given product in our warm up activities. Our focus this week was on short division, we had some progress, as well as a little frustration!!! We went back to modelling with MAB blocks to try and reinforce the concept.

During our Art session students produced some interesting pieces in readiness for the Rotary Club Art Show at Lakes Entrance art which is held this upcoming long weekend.

Fang was another raging success with many inflated bellies by the end of it!! Lets keep supporting Fang and Tuckshop to assist the school in its fundraising endeavours.

Dave

LOCAL HONEY FOR SALE

We still have some tubs left—\$11 for 1kg and \$7 for 450g. Thanks to Mick for supplying the honey.

... OLD MOBILE PHONES—keep sending them in!
