Calendar– Term 4 5th October to 18th Dec

OCTOBER

- Tues 6 PLAYGROUP
 NO Tuckshop Tuesday
 EG Shire Library
- Thurs 8 Kitchen Garden
- Friday 9 Marc Van
 NO Friday Fang
- Saturday 17 Mini Fete

Welcome back everyone. I hope you have all had a well earned break. My holidays were spent in Melbourne and Merimbula. A fantastic end with a win to the Hawks! This term Dave and I are looking forward to working together in a team teaching role. Our programs will remain the same with a strong focus on Literacy/ Numeracy. Together we will share the teaching role whilst catering individually for all students. What a fantastic opportunity our students have! Seventeen students and 2 teachers!

SUNSMART

A reminder that the CCPS Sunsmart policy requires all of our school community to have sun protection from **September to April**—hats are essential! Sunscreen is in classrooms for student use and PROTECTIVE clothing is required.

Download and check the Sunsmart App for daily sun protection times—this week from **9.50am to 4.10 pm.**

TERM 4

We have many exciting activities planned this term- these include: Mini Fete, Rotary Awards, Mitchell Cluster afternoon for grades 5-6, grade 6 Graduation Dinner, Prep-2 Mystery Tour and of course our school concert. We also have a celebration event for our Frog Bog project AND our final sizzle fundraiser at Bunnings. We look forward to a very productive term 4!

Playgroup-

We look forward to our weekly sessions of playgroup that will be held each Tuesday morning from 10 -11.30am. If you know of any families with babies/toddlers who would be interested in attending, please let us know. Hope to see you there!

TRANSITION

Our transition program for 2016 begins next week. We are hoping to see some new faces! If you are aware of any potential families, please let us know to allow us to inform them of our transition program.

Thankyou

Thank you to all those who cared for our poultry, animal and gardens over the two week break.

Mini fete

Our mini fete is less than two weeks away! Hopefully all families have received their sponsorship letters for local businesses and have had an opportunity to collect donations for the fete. Please keep Saturday 17th of October free. We hope to see everyone there! Donations of goods for our 2nd hand stall are now being taken. If you have any unwanted items you wish to donate, please send along to school asap.

New sign at Front of school

Thank you to Dave and Michael for fixing new signage to the front of our school. Thank you to Gabe for designing / liaising and to the team at Signline for producing a professional sign. Students, staff and visitors are now greeted with a friendly welcome when entering our school grounds.

SPORTING SCHOOLS

In term 4 the whole school is participating in Hot Shots tennis at the Bairnsdale Tennis Club courts. This will involve students travelling to Bairnsdale in the school bus on Friday afternoons starting from NEXT week. More details in next week's newsletter.

Habitat Trees

Over the holidays school council engaged professional arborist services to make safe some of our larger eucalypt and acacia trees.

We were pleased to be able to convert a couple of these trees into “habitat trees” rather than completely remove them. All limbs have been severely reduced and some artificial hollows were cleverly inserted into the main trunks. The trees remain standing and over time will provide valuable homes for a range of native species.

FIREWOOD

There is a quantity of dry acacia logs and large branches left after TreeLimits completed their work in the holidays. Please see me if you are able to assist with removal of the firewood from the school grounds.

RESOURCESMART

Thank you to all families for supporting our continuing efforts to be a RESOURCESMART school.

We encourage you to think about Recycling, Re-using and Reducing wherever possible!
