SUNSMART

A reminder that the CCPS Sunsmart policy requires all of our school community to have sun protection from **September to April**—hats are essential! Sunscreen is in classrooms for student use and PROTECTIVE clothing is required.

Download and check the Sunsmart App for daily sun protection times—this week from **9.50am to 4.10 pm**.

A smooth start to term 4. Lots of exciting stories about school holiday activities which included shopping trips, movies, friend visits, family visits, screen time and visits to Melbourne. The children have all settled back into the school routine with ease. Dave and I have loved our first week in the P-6 classroom.

Drumbeat Performance

Well done to all students on a brilliant drumming performance last week at the Drumbeat facilitator training held at the Bairnsdale Sporting Club. Despite the short timeline, we still managed to produce a very polished performance. The feedback once again was extremely positive.

Playgroup

Our first playgroup for Term 4 was well supported. It was fantastic to see some new faces. A big thankyou to Bree and Danielle for your organisation/facilitation of the playgroup. We hope to see some more new faces this week.

Mini Fete

Our mini fete is this Saturday from 10-2. Could all students arrive by 9.00 to set up their stall. Please tell family and friends about the fete. Your support is greatly appreciated. Any questions/queries don't hesitate to give me a call.

LIBRARY WEEK

Both Jo and Mrs Severs visit this week. On Tuesday Jo brings out the EG Shire Library van—all are welcome to use the service. Mrs Severs will be here on Friday with the Marc Van. Please return all books and be prepared with a protective bag for the safe transport of books.

HotShots—Sporting Schools

This Friday afternoon we will begin our HotShots program in Bairnsdale at the tennis courts as part of the Sporting Schools Program. The program will run from 2-3.30pm. We will resume our normal bus run following the completion of the program each Friday afternoon. There will be a permission slip attached to this week's newsletter. Please return before Friday. Each student will need a water drink bottle .

KITCHEN GARDEN

Another delicious Kitchen/garden feast last week. We filled our bellies with vegetable soup, stir fry snow peas and broccoli, Greek lemon potatoes, pasta bake, tomato and fennel bake, fresh garden salad and an apple cake (to celebrate Nyrie's birthday). Yummo!

In the garden this term we will focus on beneficial insects, who they are and what they do for our garden. This coming Thursday we will learn all about pollination and how it works, then later in the term Mick Dillon, our local apiarist (bee keeper), will have a chat to us about keeping bees. Please join us if you are interested in these topics or have some wisdom to share.

We had a great first week back, learning how to 'pot on' our tomato seedlings, and planting our new bed out. If you haven't purchased your tomato seedling for summer yet - please come and support us at the mini fete, we will have lots of good varieties for sale.

Friday Fang

A new Summer menu is in this week's newsletter. All orders in by Wednesday morning please.
