Sausage Sizzle Fundraiser

A huge thank you to Faith for coordinating our sausage sizzle fundraiser at Bunnings on Sunday. Thanks also to Alan, Mitzi and Jayden for volunteering your time to help raise valuable funds for our school.

A mammoth effort for such a small group of parent helpers!

Jayden busy helping at the fundraiser yesterday.

PLAYGROUP

We are very excited to begin our play group this Tuesday morning. We welcome Jo from The Little Green Frog who will resource our group with expertise and equipment . Thankyou also to Faith who will be assisting with playgroup. We look forward to seeing many new young faces.

CFA Visit

Tomorrow at 10am, the Country Fire Authority Mobile Education Bus will be here at school helping the students learn more about Home Fire Safety. We will also present the CFA with a donation of funds collected by the children in appreciation of the terrific job they do in keeping us safe.

All parents welcome.

Friday Fang .

Our first 'Fang' of the year will be this Friday. All orders need to be in by **Wednesday** morning to allow the grade 6 students to tally the orders and organise a shopping list. Thanks to Nick's mum Melissa for helping the grade 6 students run this real life maths program.

KITCHEN GARDEN

In the kitchen last week Zoe brought some trombocchinis from her garden which we made into a delicious slice. We also baked an apple dessert with fruit donated by Bernice and Les, local residents of Clifton Creek. We were delighted to meet Jill Hermans (Robyn's daughter who attended Clifton Creek P.S) on Thursday. Jill is extremely knowledgeable /passionate about vegetable gardening and will be taking on the role of garden specialist. We were up to our elbows in dirt, in the rain, planting/harvesting our garden. We are so excited to have Jill as a part of our team.

Bendy Ed

I met with Kirdi Dalgliesh on Wednesday morning. Kirdi will be doing Yoga at the school once a week. This will begin in the coming weeks.

**Happy Birthdays

Little Class Senior Class

The children are already in the swing of Term 2. We would like to invite parents to come in and share your special hobbies and talents with us! This may be teaching the children a new skill in arts and crafts, sport, woodwork, or playing card or board games. Anything at all! Please contact me to organise a time that suits you.

Please send warm clothing for the colder weather and remember readers everyday.

Thanks,
Kat

Thank you for your support...

Thanks to Rhys' mum and grandmother for organising our Earn & Learn box in at Safeway. Last year with everyone's assistance we were able to gain some fantastic maths resources for the classrooms. This year's promotion at Safeway runs to 9th June, so bring your stickers into school for us or leave them in the box labelled with our name in the store.

THANK-YOU to Faith for installing curtains in the school kitchen.

Welcome back everyone! Last week in the senior class we started looking at Antarctica and Climate Change. We will be doing projects and activities on these themes throughout the term. We also started our literacy circles. During this time we read together in small groups, and then complete some independent work including reading and responses. We then come back to discuss what we have done. Then we read again! This happens over three sessions. We are also creating a class magazine to explore different writing genres. In maths we have been completing some problem solving activities, times tables, short games, Mathletics and individual work from our maths books. Have a great week!
Jen.
