It is hard to believe that this is the last newsletter for 2014! The year has flown and created many fond memories. We hope all families have a fantastic Christmas and a safe and happy holiday. We look forward to seeing everyone again in 2015. Thankyou to all families for your contributions throughout the year. Each family contributed in their own way, but collectively you all help to make this a fantastic school. Thankyou everyone!

Thankyou to the dedicated staff of Clifton Creek. Your commitment, energy and love for our school guarantees that we truly are a very special little school on the hill!

Christmas Concert, Supper & Santa Sack

We are all very excited about our annual concert this Thursday evening. Children will need to be at school by 6.15pm dressed in school uniform for a 6.30 start. On concert night, all families provide some supper treats to share; a china plate will be sent home with each family for this purpose on WEDNESDAY. Plates of supper can be left in the staff kitchen.

Santa will be making a special appearance with small gifts for our Clifton Creek students.

Younger siblings of school children and visiting children need to arrange to be included in the Santa sack surprise—contact any of the staff at school for more information.

Early finish on Friday

For those here on Friday for our clean-up, school will finish at 2.15pm.

Boxes

Please ensure your child has a box here at school as soon as possible for costumes as it allows the children to keep all items for the concert in one place.

Kris Kringle

A reminder that we will present our Kris Kringle gifts on Thursday afternoon. Please ensure you have your gifts in the box by Thursday. We would hate for anyone to miss out! If your child cannot find their Kris Kringle, send me a text on 0412567092 and I will let you know who it is.

Christmas Mates

On Thursday we are having our last mates of 2014 - the ever popular Christmas Mates.

Thankyou to all our big mates. You have set the bar high! Our little mates have enjoyed many well planned sessions. Enjoy your last session with your little mate.

CHRISTMAS RAFFLE

Our final raffle will be drawn on Thursday at the concert. Please return all tickets and money tomorrow.

School Council Book Presentation

Promoting a love of books and reading as well as rewarding the year of achievement and growth as learners is what this tradition achieves. Thanks to Bree for presenting the books to the children on Wednesday morning.

Calendar 2015– CCPS Celebrates

The School Calendar is a collaborative project involving Jill and senior room students celebrating many of the wonderful activities that happen at Clifton Creek. This memento will be distributed with reports on concert evening.

Gardening

Once again I would like to say a big thankyou to Leanne Wilson for the many hours you have spent up here at school weeding, mulching, whippersnipping and replanting our garden beds.

AND Thankyou to John Kinniburgh for mowing the lawns last week.

Well in the penultimate week we were able to complete some testing, complete some learning tasks and create our classroom advent tree. It has been a fantastic year and I hope that everyone has a well-earned rest and gets plenty of presents from SANTA. Hope you all enjoyed the year as much as I did!!
