

Clifton Creek Primary School BUS BEHAVIOUR POLICY

Our school bus service is designed to ensure that all students arrive to and from school safely.
This is the responsibility of all parents and students.

Bus Safety Requirements-

A driver of a bus must not have alcohol or drugs present in her or his blood or breath immediately before, or while, driving a bus.

To ensure safe bus travel students should:

- Wait at the bus stop and not approach bus until it has stopped.
- Be punctual at the designated pick up.
- Ensure seat belt is adjusted to fit and fastened.
- Stay seated whilst bus is moving.
- Treat all others with courtesy and consideration, showing respect in behaviour and language.

Bus Incidents

Breaches of these Bus Safety Requirements may lead to suspension from bus travel.

1. On the first occasion we will phone to discuss behaviour with both parent and child.
2. If the behaviour continues, the student will be unable to use the bus service for a set period of time.

Conditions of bus travel:

- I have read the Bus Safety Requirements and agree to support the school in its insistence on safe travel behaviour at all times.

Consent Form Regarding After School Drop-off Arrangements:

I give permission for my child to walk home from the bus stop if I am not there to collect him/her.

I do not give my permission for my child to walk home and understand that if I am not at my allocated bus stop, my child will stay on the bus and wait until I arrive at the final bus stop.
