POLICY

1. School profile

Clifton Creek Primary School was established in 1911 and is located approximately 18 kilometres north of Bairnsdale. We have approximately 30 students enrolled from Prep to Grade 6 and 9 school staff members including part-timers.

Our school grounds are surrounded by farmland, with native bush not far away, and we have a supportive community. Many students that attend our school live in town and travel on the school bus, others are driven to school by parents. Clifton Creek Primary School has developed close ties to the local community, and enjoys support from our Bairnsdale shops and community services.

Our school is culturally diverse with some families having overseas connections and the school also has strong representation from the Koorie community. We are proud of our diversity and inclusive school community.

We strive to provide a nurturing and challenging environment that empowers students to reach their personal best, both academically and socially.

2. School values, philosophy and vision

CCPS's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. Students, staff and members of our school community are encouraged to live and demonstrate our core values of respect, individuality and valuing differences.
